REMARKS

25X1

25X1

1. On 4 June 1951, the necessity of double-tracking the Guben (O 52/A 79)-Frankfurt/Oder (O 53/V 63) railroad line and the problem of procuring the rails and ties required for this project were discussed at the Directorate General, Railroads, in Berlin. [redacted] a list of the railroad lines which could be dismantled to provide the necessary material for this project. *
 2. The construction of a second track between Aschersleben and Guesten will be completed in 1951.
 3. **The Berlin-Stralsund (N 55/P 44) railroad line has been reconditioned to carry trains operating at a speed of 100 km per hour.**
 4. **The entire trackage of the narrow-gauge branch line from Mosel (N 51/K 35) to Ortmannsdorf (N 51/K 44) will be dismantled to be used on lines south of Berlin.****
- * [redacted] Comment. For copy of the list [redacted] see Annex. It remains to be seen which of the lines mentioned will actually be dismantled.
- ** [redacted] Comment. It is believed that the rails thus obtained will be used on the southern section of the Berlin Outer Freight Ring.
